

HubNet is an **excellent opportunity** for your company.

- Face time during the conference: we give you 10 minutes to address the HubNet members and tell them why they need to come visit you at your booth
- Ample booth space on the conference floor
- Unlimited access to attendees, even during hospitality events
- Inclusion in the educational material of HubNet: if approved, you can teach the HubNet members about the benefits of your system or product as it relates to collections during one of the breakout sessions of the conference
- As a preferred vendor, you can include marketing material from your company in the “go bags” that all HubNet attendees will be using and taking home with them
- Many additional sponsorship opps available all in a close-knit, family-friendly setting. WE DO NOT OVERBOOK VENDORS. Your presence will be notable.
